- Must comply with all licensing requirements and regulations of the OLCC and a liquor license must be posted throughout the event
- The organization/individual sponsor (renter) must possess and OLCC license to operate as an "off-site" Vendor or they (renter) must contract with a vendor licensed by the OLCC for "off-site" events.
- Additional Insured Certificates naming West Valley Community Campus as additional insured must be submitted directly from the commercial liability company insuring the liquor licensee and must specifically declare "host liquor liability" coverage.

For events not open to the general public and no money is exchanged for admission or alcohol:
